Greeting Friends!

Praise God...Yippee...Spring 2021 is here!!!

MBC is enjoying a busy start to the year as we have hosted retreat groups ten of twelve weekends since reopening in 2021. The anticipation and preparation continue for a “nearly normal” summer of youth and family camps. Summer youth camp registrations are coming in quite well compared to previous years, so spread the news and get registered now 😊!

MBC has worked hard to follow “healthy camp” guidelines from the health department while still offering a life-changing time immersed in God’s Word and enjoying fellowship with friends, all while surrounded by God’s awesome creation. Extra cleaning, new air filters and lots of hand washing are the standard almost everywhere; going forward at MBC we are adding more outside dining, a big tent chapel and, of course, more campfire singing. Check out the enclosed youth summer camp brochure.

YOUTH SUMMER CAMPS 2021 WILL BE BETTER THAN EVER as we have grown in our appreciation of the opportunity to get together with like-minded people for fun and encouragement. REGISTER NOW at miraclebible.com.

Family camping and church group opportunities have also expanded. Clearly last summer showed us that families enjoyed MBC and God’s great outdoors. Investing the time together as families and as church fellowships, growing in relationship with God and with each other, is priceless. MBC has accommodations to fit all budgets... from tenting in the campground to fancy cabins by the lake!

Work Day April 24

“Many hands make light(er) work!” Our annual Spring Workday is coming up. We have a project for almost anyone. Whether you can run a chain saw or a leaf rake, a wood splitter or a wiping cloth, you can help us prepare for a busy summer season. Perhaps you can put together a group to come with you to make it even more enjoyable. Many projects await! Call us and let us know you’re coming.

Annual Fundraising Auction May 22nd.

Miracle Bible Camp has a rich history of offering youth camp to everyone regardless of financial means. This is a fantastic way to turn your good stuff into tools impacting lives for eternity. Our annual auction is a significant fund-raising activity that goes first to cover this year’s financial aid; any remaining balance goes toward construction projects. Please donate now! Quality stuff makes a great auction! The sooner we know what you are donating the better. That way we can advertise your collectables, autos, firearms, household items, boats, recreation toys, tools, etc. “If it’s legal – Daudt Auction will sell it” 😊! Also, watch our website for the treasures you can’t live without, as we advertise larger items there.

Thank-you to everyone who is on the MBC team – volunteering, donating, praying and encouraging. This past year has given all of us pause to be reminded of God’s sovereignty. Praise God that your camp is debt free, that we have been able to keep all our staff, for our good health, and for the opportunities that 2020 gave us to share

the hope of Jesus. We are humbled by your partnership, as donations comprise nearly half of our operational budget, and all construction improvements are a result of direct donations of time and money. **Your first priority** is to support your local Bible-teaching church. Then, should God lead, giving to organizations like MBC is always a blessing. We are grateful for your donations.

Feel free to contact board members or your camp staff for more information to share your thoughts on how to make camp even better.

"But one thing I do: forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus" Philippians 3:13-14 ESV

Giving Thanks!
