Farewell to Doug and Welcome
for Jason and Family **3:00-6:00 PM**

Welcome to Jason Blight, New Camp Director!

The MBC board and staff of **MBC** are pleased to welcome **Jason Blight** as our new **Camp Director**. Jason holds a master's degree from Wheaton College with a camp leadership certificate after serving at Honey Rock Camp. Jason has over a decade of experience as a youth pastor and children's pastor in Nevada Missouri. Additionally, for the last 10 plus years he has led wilderness trips in the BWCA for the Coldwater Foundation. Jason, his wife Ashley and their 4 boys are here **now** and look forward to meeting you at the open house on April 13.

Thoughts from Doug...

Your investments are producing great returns. MBC now has the nicest facilities we have had in our 55 year history. But the eternal impact of the life-changing message of hope in Jesus is still our greatest purpose.

Thanks for your help in all these projects; work on the Campground & Pine Point Chapel will be the spring focus. Join us for work day(s)!

As I pass the baton of leadership at MBC, I am confident that the ministry of MBC is in good hands. I see God working through our board and camp staff. I still love camp and still believe MBC has an unmatched opportunity to impact lives for eternity. For the past 30 plus years I have enjoyed a front row seat of seeing God work. Thank you for praying, Thank you for donating, Thank you for your partnership and friendship. **To GOD be the Glory!**

~ Doug
