

OUR SPEAKER: Rick Allan

A Skeptic's Journey

Have you ever doubted if the things you believe are actually true? How would you know? Rick says:

“My name is **Rick Allan**, and I am a former atheist turned Christian. As an atheist, I was attending church services only to support my wife. I believed much of what I heard was simply a made-up

story that grew over time. However, I came to realize my belief was apathetic, based only on anecdotal evidence and opinion. So, I began a journey, “A Skeptic’s Journey”, to investigate the evidence for myself. I discovered there was substantial evidence for both God and Christianity. I now present the evidence that compelled me to change my mind...”

Rick will share with us reasons for confidence in our faith. Be uplifted and encouraged as Rick tells you about his journey.

❖ Rick’s wife **Peggy** will also lead a breakout group for women Saturday afternoon!

And, of course, we will enjoy lots of helpful discussion, great worship, and enriching fellowship! Bring your favorite instrument for some “jam time” too 😊!
