"KEMBE FEM!" (Creole for "STAND FIRM") - **Mark Gold**, long-time youth pastor, conference speaker, world traveler, and mission leader, will encourage you and give you strategies for standing firm for Jesus in a sometimes hostile world!

Mark says: "Kembe Fem" - Truth has been identified in the last years as a moving target, changing with each generation or fad. Does God have absolute, firm, concrete, never shifting truths that we can Stand Firm on and know that our choices and lives are valid regardless of anyone else's philosophy? This will not be easy, but we will laugh together and struggle together and find answers together...I promise.
